To the Honourable the President and Members of the Legislative Council in this present Parliament assembled -

The humble Petition of the undersigned residents of South Australia respectfully sheweth:- That

The Fleurieu Peninsula community and those who enjoy visiting the region:

1. **despair at the number of accidents on the Victor Harbor Road and**
2. **observe with concern the series of accidents at or about the two closely-located intersections of Victor Harbor Road, Waterport Road and Victor Harbor Road and the Welch Road "Ring Road", including 2 fatalities in the last 12 months**

Your petitioners therefore pray that your Honourable House will

call upon the Government to:

1. **commission Transport SA to create a roundabout at these two intersections; and**
2. **commission SA Police to investigate the appropriateness of the 100 kilometres-per-hour speed limit through this intersection.**

And your petitioners, as in duty bound, will ever pray.
